These events and start times are based on last year's 3-meter championships. We want to make sure that each event has a proper amount of time to warm up for safety reasons. Please note that we anticipate the events to run faster than the estimates, so divers and parents please be advised.

This is a new meet for S.J.D.A. which was added to our schedule last summer to give the divers a practice meet for the 3-meter championships. Divers that are not ready to meet all of 3-meter requirements for their respective level and age may dive unofficial in this meet. Again, this meet is meant more as an exhibition than a competition so that our athletes get some experience diving in a 3-meter competition.
