

SOUTH JERSEY DIVING ASSOCIATION

June 7, 2020

Dear Diving Families,

Due to restrictions imposed by the State of New Jersey and ongoing concerns regarding Covid 19, the South Jersey Diving Association has decided to cancel all qualifying meets and the championship meet for the 2020 season.

Dive families should consult with their respective clubs relative to their plans for this year.

We understand that clubs may individually decide to open, to host events, camps and/or practices. Please know that SJDA does not sanction, insure, indemnify or sponsor these activities.

We thank you for your understanding and hope that you and your families will stay safe and healthy. We hope to see you all in 2021.

Sincerely,

South Jersey Diving Association

Kimberley Stuart, President
